Government of Haryana

As desired by the then, Principal Secretary (A&M), the bid submitted by PWD B&R has sent to Dr. B.R. Mani, D.G. National Museum for examination. He has bifurcated tender paper - one for civil works and the other for museum designing, display and planning. As per his opinion that this is essential as museum experts may not do civil works and the agency working for civil works may not be able to do expert designing of museum. On the basis of the opinion of D.G. National Museum PWD B&R prepared DNIT (attached X). the condition of annual turnover in DNIT of Rs 30 lacs was 2 crore and DNIT amounting to Rs 10 lacs was Rs 1 crore for the last consecutive financial years, for maximum participation of consultants. Accordingly, tenders were invited by EE, Provincial Division, PWD B&R Br. Hansi. Now Superintending Engineer, Hisar Circle, PWD B&R, Hisar has intimated that various consultants have intimated that no agency could achieve the target of turnover as per said DNIT. Then a Pre-bid meeting was held on 9th January 2018 in the office of SE, Hisar Circle, PWD B&R. where it was recommended that annual turnover in for DNIT of Rs 30 lacs should be 2 crore to Rs 1 Crore and annual turnover in for DNIT amounting to Rs 10 lacs should be 1 crore to Rs 50 Lacs for the last consecutive financial years. Minutes of the meeting is placed as Flag C.

Minutes of the meeting submitted for approval of D.G. (A&M). Beside this it is proposed that the representative from the Department of Archaeology & Museums and from A.S.I., Chandigarh Circle may be present during the time of opening Technical bid. Selection committee should be headed by the D.G. A&M.
