Subject : Release of a Philatelic Souvenir on Rakhigarhi

Philately has been a field of academic and cultural promotion of various organizations all over India and abroad. Various government organizations and museums create Stamps, Special covers and such memorabilia that marks special collection or events in history and time. Department of Archaeology and Museums Haryana wishes to propose release of a Special Cover on World renowned archaeological site of Haryana, Rakhigarhi on 26th January 2020.

Rakhigarhi has always been in limelight because of the collection unearthed, its expanse as the largest Harappan site of Indian subcontinent and the rarity of findings that are seen on this site. Issuing a Special cover with design of a unique Pottery image, that is intact and unique, may create a memorable souvenir to mark significance of site in state of Haryana.

As per the discussion with Senior Post Master, Chandigarh branch on 31st December 2019, it was revealed that the Department must get an NOC from the Postal Department for creating and releasing the Special Cover. The Design will be initially proposed by Department and further editing can be done in consultation with the Postal Department, till a final design is decided.

The person/ dignitary who will release the cover, Venue of releasing special cover and number of covers to be released is to be decided by Department of Archaeology and Museums, Haryana with discussion and approval of higher authority.

The release of Special cover has a nominal fee of Rs. 12,500/- (if released in the Post Office itself on a working day) or Rs.25,000/- (if released outside Post office and venue is to be decided by our Department). If the Special Cover is released on a Holiday (outside Post office) then the fee is Rs. 50,000/-. They also release VVIP albums (usually 10 in number) to present to Dignitaries. The Department may provide a list of Dignitaries as well as some will come from Postal Department as well. Also, with release of Special cover, a Catchet (Logo/Cancellation stamp) is made that is part of the Set with special cover.

bilingual (English & Hindi). The cost of the cover for sale can be kept Rs. 5/- or Rs. 10/- and the number of covers can vary from 1000, 2000 or more as per the cost to be incurred by Department itself. This is to be decided by the Department as printing agencies charge per cover cost of making. Agencies those who had been printing qualitative covers were also suggested by the Postal Department as Department of Archaeology and Museums, Haryana may take services from them if found suitable. It is mandatory to provide 210 envelopes (Special covers to Postal department) as per rule.

Brief Description : Village Rakhigarhi is located on Jind-Narnaud-Hansi road about 8 km from Narnaud in Hisar district. It is the largest Harappan site in India. There are seven mounds, which have been designated Rakhigarhi-1 to Rakhigarhi-7 by the excavator. The site was taken up for excavation by Archaeological Survey of India under the direction of Mr. Amarendra Nath in 1997-98 and later by Professor Vasant Shinde of Deccan College, Pune in collaboration with the Department of Archaeology & Museums, Haryana in 2014-16.

Government of Haryana

As per the discussion with Senior Post Master, Chandigarh branch, it was revealed that the Department must get an NOC from the Postal Department for creating and releasing the Special Cover. The Design will be initially proposed by Department and further editing can be done in consultation with the Postal Department, till a final design is decided.

The person/ dignitary who will release the cover, Venue of releasing special cover and number of covers to be released is to be decided by Department of Archaeology and Museums, Haryana with discussion and approval of higher authority.

The release of Special cover has a nominal fee of Rs. 12,500/- (if released in the Post Office itself on a working day) or Rs.25,000/- (if released outside Post office and venue is to be decided by our Department). If the Special Cover is released on a holiday (outside Post office) then the fee is Rs. 50,000/-. They also release VVIP albums (usually 10 in number) to present to Dignitaries. The Department may provide a list of Dignitaries as well as some will come from Postal Department as well. Also, with release of Special cover, a Catchet (Logo/Cancellation stamp) is made that is part of the Set with special cover.

Department may select the date to release of this Special Cover on on 17th April 2020 (friday) instead of 26th January 2020. 17th April is the eve of *International Day for Monuments and Sites* also known as *World Heritage Day* celebrated on 18th April 2020 worldwide. This day aims to promote and propagate the awareness among people for its valuable heritage. Throughout world various organizations conduct programs to make people connect and associate with the priceless heritage, monuments and sites. The cost will be reduced from Rs. 50,000/- to 25,000/-

The Pincode to be given on Special cover will be of the venue where the Special Cover is being released. Payment is to be done through RTGS/Draft as per instructions of Postal Department. The Special Cover and Catchet will be designed bilingual (English&Hindi). The cost of the cover for sale can be kept Rs. 5/- or Rs. 10/- and the number of covers can vary from 1000, 2000 or more as per the cost to be incurred by Department itself. and Museums, Haryana may take services from them if found suitable. It is mandatory to provide 210 envelopes (Special covers to Postal department) as per rule.

After successful completion of this process of launch of Special Cover and as per response from the public, Department may initiate the process of creating a Stamp (or Miniature sheet) as well. As per discussion with postal authorities, Stamp issuing is a long process (probably more than 1 year) and time taking procedure. The design and themes are to be decided which can be done after selection and discussion with higher authorities. As Department of Archaeology & Museums have many sites, monuments and different collection in its authority thus appropriate design, and judicious selection of images for Stamp is to be done. The fee (amount) of launch of Stamp is also higher than Special cover and depends (modifies) upon the process it goes through.

It is proposed that the department may get an NOC from the Postal Department for creating and releasing the Special Cover and the number of covers may be 1000.

Regarding Venue and dignitaries, who will release the cover, higher authorities may suggest.

The required estimate may be debited from the publicity under the scheme of Publication/Publicity Programme from current financial budget.

Selecting Rakhigarhi for Special cover is appropriate in this regard as this site has always been in limelight because of the collection unearthed, its expanse as the largest Harappan site of India and the rarity of findings that are seen on this site. Issuing a Special cover may create a memorable souvenir to mark significance of site in state of Haryana.
